

Ballot Card Verification

Use this page to report the voter markings on ballot card #1, out of 24 ballots that you must audit in this round.

The current ballot is:

Scanner #	Batch #	Ballot Position #
3	800	5

Ballot card #1 has Ballot Type 53 . Please ensure that the paper ballot you are examining is the same Ballot Type.

Record here the **voter intent** as described in the Voter Intent Guide from the Secretary of State. All markings **do not** need to be recorded. Replicate on this page all **notes** in each ballot contest contained on this paper ballot card. Or, in case of an **overvote**, record all final voter choices that contribute to the overvote. Please include notes in the comments field.

If the ballot card corresponding to the above Ballot Type cannot be found, select the "Ballot Card Not Found" button and you will be given a new ballot card to audit.
